

Cappfinity Limited Personal Data Subprocessors Notice

Effective from: 11 October 2021

1. Introduction

We respect the privacy rights of individuals and are committed to handling personal information responsibly and in accordance with applicable law. This notice provides details of the subprocessors of personal data that may be used by Cappfinity Limited in relation to your personal data, the services for which we use them. We have Data Processing Addendums / Data Processing Agreements in place with each of our subprocessors.

2. Why we use subprocessors

Cappfinity Limited uses subprocessors to process personal data (and other types of data) in order to enable us to provide our services and manage our business in the best possible way for our clients, customers, users and employees. These subprocessors provide data services that we are unable to provide ourselves for reasons of economic viability, efficiency, technological capability or otherwise.

3. Cappfinity Limited subprocessors
